Look! They are so beautiful!

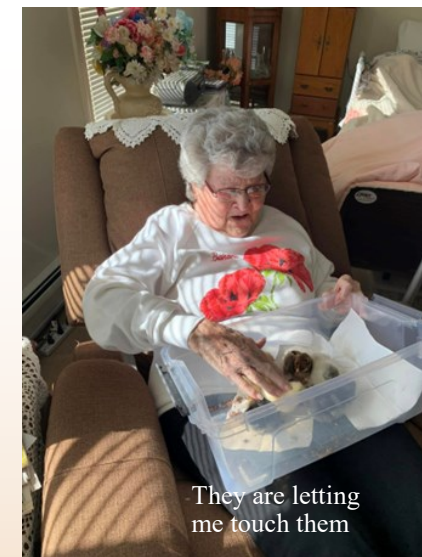

OMG!!! Can I hold it?

Look It's pecking my hand!!

It feels so soft

They are letting me touch them

They are so cute!!

Thanks ladies. You made our Residents smile.

The desire of Retirement Living is to honor God by providing the elderly with a lifestyle that values their identity, their independence, and their dignity.

Communication

Hello Residents, Families & Friends:

Spring into the season with us. There is a lot that we love about spring, not only does the increasingly warm weather and light breezes allow us to partake in outdoor activities but it's a relief to see beautiful flowers blooming and birds chirping. Spring is a lovely reminder of how beautiful change can truly be. Some say sunshine is the best medicine, and I look forward to sharing another season with everyone and can't wait to see what fun activities and field trips we have in store.

Easter blessings to you and your loved ones!

Employee of the Month:

Bella Osterbeck

"I love being able to not only assure the safety and physical care for the wonderful people I have met as my residents, but the emotional connections and being able to put a smile on somebody's face while getting to know their beautiful life stories".

These are the words Bella used when asked what her purpose is for working in healthcare. As a Direct Care Worker (DCW) here at Green Acres of Allendale, Bella makes it her daily task, while working with the residents to fulfill every care need the resident requires. As much as she likes her work, Bells enjoys the family environment with both residents and staff and the personal connections are priceless to her. Her personal aspiration is to become a Board Certified Behavioral Analyst for Autistic Children.
