## Team Spotlights

My name is Julia, I am a wife and mother to 3 amazing kids (2 boys and a little girl) who are my whole world. In my free time, I like to spend time in the gym watching my boys wrestle. I also enjoy yoga and dancing and more than anything volunteering at the Down Syndrome Association of West Michigan. I am very passionate about my family life and the work I do. I am very grateful to be apart of the Green Acres family.

My Name is Baleigh! I am currently going to school at Hopkins High School and I will be graduating this spring. I am set to go to Davenport University in the fall to study nursing. I love spending time with my friends and showing livestock!

I'm Audra, I'm 23 years old and I have a beautiful 2 year old daughter, her name is Lyana. I've worked at Green Acres for just over two years and it's truly the best job I've had. Outside of work I like to spend quality time with my family, our dog (Ares) and our cat (Leo).
